Principal's Report

Dear students and families,

With only one week of school before the end of term our school concert is quickly approaching, next Wednesday – 20th September. Students and staff are working hard preparing for the night. If you have not purchased your tickets yet there is still time.

Mr. Pharaoh has taken three students to the 2017 Herald Sun Shield football where our students are part of a team playing today. Dylan, Codie and James were very focused leading into the day.

Our year 10 students are attending TAFE today as part of a 'Tasters program' – an introduction to what they can expect next year. The students were excited while boarding the bus.

The swimming program continues this week and staff have been talking about the students' levels of improvement.

Tomorrow there is an interschool athletics carnival with many of our students from upper juniors, seniors and pathways taking place. If the past is an indicator, our students will do well.

Shaun
Assistant Principal

JA News

What's your family's favourite board game?

A. Snakes and Ladders, Monopoly, Connect Four, Tic Tac Toe, Checkers

Board games are fun. They teach important social skills such as how to communicate, share, wait, take turns and interact with others. They satisfy your child's competitive urges and the desire to master new skills.

JA regularly enjoys the benefits of traditional board games as part of a social skills program or as a free choice activity.

Have you ever played a traditional board game online?

Recently the students discovered the game Checkers using Cool Maths Games free online maths games and cool puzzles. They can't wait to play in pairs or battle against the computer. Students concentrate, problem solve and interact with each other.

Naranganga School has registered for the Woolworths Earn & Learn program.

Please remember to collect the stickers and send them back to Naranganga School. FINISHES 16TH SEPTEMBER

Moonlit Sanctuary Keeper Club

Kids enjoy environmental activities, animal encounters and native animal care. Day includes: interactions with dingo, gython, off-limits animals, feeding animals & food prep, animal enrichment activities. Learn about our animals, their conservation and the environment. For ages 7-14 years.
