Principal's Report

Dear students and families,

We are at the mid-way point of the term and things are busy with lots of engagement and learning. Whilst there is no swimming this week, a rest week, the students are really looking forward to the program resuming next week.

We continue with our sustainability program at school working with our students to further develop our knowledge and sustainable practices. To continue on the success of our waste free lunches there is another waste free lunch tomorrow.

If you received an invitation to complete our online parent opinion survey, we would appreciate you spending 10 minutes to complete it please. We find the feedback valuable and it supports our ongoing development of the school. If you would like support in completing the survey call the school and we can assist.

Reminder: Tickets are on sale for our annual school concert, The A-Z of Musicals, which will be held at Frankston Arts Centre on Wednesday 20th September starting at 7pm. The tickets can be purchased from the office and DVDs can be ordered.

CAREERS NEWS

WORK EXPERIENCE

Currently we have had 6 students successfully complete a week block of work experience this term at various workplace environments. Kieren A and Liam W completed their work experience at Bunnings in Mornington; Ashley A and Karen R completed their work experience at Coles in Frankston; and Jacob C and Rory D completed their work experience at Coles in Carrum Downs. It was a great opportunity for them to explore the work industry and put their skills into practice.

"I had a great experience. We wore a uniform and apron and got to use an iPod scanner and pallet knife when working. We met a lot of new people, joined in on staff meetings and asked about doing part-time work. I would be happy to work there." Liam W.

"I really enjoyed my experience. I sorted out the shelves and worked in the timber and ladder section." Kieren A.

"We did facing/cleaning the shelves and emptying boxes into the compactor machine. It was alright." Rory Daff.

"Work experience was good and funny at times. I think customers are messy and should bring food forward when they have taken something from the shelf. This would help keep the shelves cleaner. I was glad I did it." Jacob C.

"I enjoyed travelling to Coles by myself on public transport and walking. It was an interesting experience. I think I would like to work there." Ashley A.

"We did facing and cleaning of the shelves. It was hard work at times but I'm glad I did it. I asked about how to get part-time work." Karen R.

J51 has been busy getting their costume ready for the concert. They had a lot of fun decorating their masks. They are all very excited for the concert.

Naranga School has registered for the Woolworths Earn & Learn program.

Please remember to collect the stickers and send them back to Naranga School.

FOR FAMILIES

Free program to get your children talking

Let's Chat™

Building Early speaking and listening skills

Speaking and listening is the key foundation for learning.

All primary schools and special schools in your local area have organised a 'Let's Chat' program for parents and their three and four year old children. This program is free of charge and will benefit every child.

This four week program will support you to increase your confidence to turn shared book reading and everyday routines into opportunities to build early literacy skills with your young children.

In addition to the program being free of charge, there will also be child-minding in the first part of each session at every school and special school setting, as you learn new skills to get your child chatting.

The program commences in Term Three 2017 and will operate in 14 primary schools and 3 special school settings.

If the time and date of your closest primary school is not suitable, you can register at any other school. If you miss a session, you can register at any other school to catch up on that session. All schools will be implementing the same program using the same types of books.

Registration details are listed for every school. If you are interested, feel free to sign up with a friend or friends from your local kindergarten.

At the end of each session, you will receive a free children's book to enjoy with your child.

We are looking forward to seeing you there.
