Principal's Report

Dear students & families,
It is nearly the end of another busy term that has been filled with lots of activities that have helped to take our students on their learning journey. At Naranga, we ensure that each child has their interests and needs catered for within their learning program. Teachers, specialists and therapists work tirelessly to meet students at their point of need, engage and teach them at their level of ability, and guide their overall learning.

You should receive your child's **mid-year report** in the mail. We expect parents to read through the report with their child so that you can celebrate their achievements together.

Next term our students are hosting their first-ever **Student-Led Conference**. These conferences will be held in place of the Student Support Group meeting. Your child has been working hard to prepare a presentation that will help them to tell you about their learning and progress. Forms for the student-led conference times were included in the mid-year report envelope.

We have a big assembly planned for **1:30pm tomorrow**, so please come and join us as we celebrate our students' achievements with a variety of academic, social, and specialist skills with a variety of achievement awards.

SUPERHERO LEARNERS

JJ News

The Lower Juniors have recently been exploring and enjoying some fantastic new playground equipment and an extra play space. We now have small trampolines, balance beams, an outdoor kitchen, a sand play table, large soft building blocks, bouncy balance balls, crazy mirrors and more. A big thank you to the staff who organised and chose the new equipment. We have more to come to enhance our outdoor learning experiences. The children are supported in learning play skills by our Occupational Therapist Angela Russo, our Speech Therapist Kyria Morgan and teachers and E.S staff during a variety of Recess and Lunch time play programs. As you can see from these photos Junior Jackson are loving the new equipment!

Work Experience

Year 10 students, Gina and Rory, successfully completed a week block of Work Experience at Coles in Carrum Downs last week. Both students were happy to gain experience in the workplace environment. It was a great opportunity to put their learned skills into practice.

"I enjoyed the experience of going to work. I loved using the box compactor. Everyone was nice." Gina

"I should ask if I can get a job there." Rory

Canteen

The canteen will be closed for the first two weeks of term. It will be operational again on the 31st July.
